

EU ErP Directive – Lot X Implementing Measures: Compliance Statement

February 18th, 2025

25 Templer Ave, Farnborough GU14 6FE

To whom it may concern:

Please be advised, Motorola will be fully compliant with the new **EU ErP Directive Lot X Implementing Measures**

- [ECO DESIGN Regulation \(EU\) 2023/1670](#)
Ecodesign requirements for smartphones, other mobile phones, cordless phones and slate tablets
- [ENERGY LABEL Regulation \(EU\) 2023/1669](#)
Energy labelling of smartphones and slate tablets

...for all applicable products placed on the EU single market, from the EU regulatory deadline (20th June 2025).

The product specific CE Declaration of Conformity (DoC) will formally attest compliance and can be accessed from our [EU Product Compliance Statements](#) webpage.

We can confirm our product documentation and packaging will also bear the required compliance information, including the in-box ENERGY Label, at not less than 70% of maximum size (per Lot X ENERGY LABEL rules).

The ENERGY LABEL and RATING INDEX will be made available to resellers, in accordance with the ENERGY LABEL Regulation requirements for 'Dealers (per Art 4), via the QR code. The QR code will enable resellers to access and print the ENERGY LABEL (inclusive of QR Code) directly from the [EU Com EPREL website](#).

In line with our Corporate Ethics & Compliance policies, Motorola will continue to comply with all applicable laws and regulations in all markets in which we do business.
