SAFETY AND MAINTENANCE

SAFETY GUIDELINES

In order to achieve maximum safety while using your Razer Basilisk Mobile, we suggest that you adopt the following guidelines:

Should you have trouble operating the device properly and troubleshooting does not work, unplug the device and contact the Razer hotline or go to support.razer.com for assistance.

Do not take apart the device (doing so will void your warranty) and do not attempt to operate it under abnormal current loads.

Keep the device away from liquid, humidity or moisture. Operate the device only within the specific temperature range of 0°C (32°F) to 40°C (104°F). Should the temperature exceed this range, unplug and/or switch off the device in order to let the temperature stabilize to an optimal level.

Avoid looking directly at the tracking beam of your mouse or pointing the beam in anyone else's eye. Note that the tracking beam is NOT visible to the naked human eye and is set on an Always-On mode.

COMFORT
Research has shown that long periods of repetitive motion, improper positioning of your computer peripherals, incorrect body posture, and poor habits may be associated with physical discomfort and injury to nerves, tendons, and muscles. Below are some guidelines to avoid injury and ensure optimum comfort while using your Razer Basilisk Mobile.

- Position your keyboard and monitor directly in front of you with your mouse next to it. Place your elbows next to your side, not too far away and your keyboard within easy reach.
- Adjust the height of your chair and table so that the keyboard and mouse are at or below elbow-height.
- Keep your feet supported, posture straight and your shoulders relaxed.
- During gameplay, relax your wrist and keep it straight. If you do it the same tasks with your hands repeatedly, try not to bend, extend or twist your hands for long periods.
- Do not rest your wrists on hard surfaces for long periods. Use a wrist rest to support your wrist while gaming.
- Customize the keys on your keyboard to suit your style of gaming in order to minimize repetitive or awkward motions while gaming.
- Do not sit in the same position all day. Get up, step away from your desk and do exercises to stretch your arms, shoulders, neck and legs.

If you should experience any physical discomfort while using your mouse, such as pain, numbness, or tingling in your hands, wrists, elbows, shoulders, neck or back, please consult a qualified medical doctor immediately.

MAINTENANCE AND USE

The Razer Basilisk Mobile requires minimum maintenance to keep it in optimum condition. Once a month we recommend you unplug the device from the computer and clean it using a soft cloth or cotton swab to prevent dirt buildup. Do not use soap or harsh cleaning agents.

To get the ultimate experience in movement and control, we highly recommend a premium mouse mat from Razer. Some surfaces will cause undue wear on the feet requiring constant care and eventual replacement.

Do note that the sensor of the Razer Basilisk Mobile is "tuned" or optimized especially for the Razer mouse mats. This means that the sensor has been tested extensively to confirm that the Razer Basilisk Mobile reads and tracks best on Razer mouse mats.

FRANÇAIS ET ENTRETIEN CONSEILS DE SÉCURITÉ

Afin d'utiliser votre Razer Basilisk Mobile dans des conditions de sécurité optimales, nous vous recommandons de suivre les consignes suivantes :

Si vous avez des difficultés à utiliser correctement l'appareil et que le dépannage ne fonctionne pas, débranchez l'appareil et contactez le service d'assistance téléphonique de Razer ou rendez-vous sur support.razer.com pour obtenir de l'aide.

Ne démontez pas l'appareil (ceci annulerait la garantie) et n'essayez pas de le faire fonctionner avec une charge de courant anormale.

Conservez l'appareil à l'abri des liquides et de l'humidité. Faites fonctionner le périphérique uniquement à une température comprise entre 0°C et 40°C. Si la température dépasse ces limites, éteignez et/ou débranchez l'appareil pour laisser la température se stabiliser à un degré optimal.

Évitez de regarder directement le rayon laser de votre souris et de pointer le rayon dans les yeux d'une autre personne. Veuillez remarquer que le rayon du laser n'est PAS visible à l'œil nu et qu'il dispose d'un mode Always-On (toujours actif).

CONFORT

Les recherches ont montré que de longues périodes de mouvements répétitifs, un positionnement incorrect de vos périphériques informatiques, une mauvaise posture, de mauvaises habitudes peuvent être associées à un inconfort physique et une lésion des nerfs, des tendons et des muscles. Voici des instructions pour éviter les blessures et vous assurer un confort maximal lors de l'utilisation de votre Razer Basilisk Mobile.

- Placez votre souris et votre écran directement en face de vous, avec votre souris à côté. Placez vos coudes près de vous, pas trop loin, et votre clavier à portée.
- Ajustez la hauteur de votre chaise et de votre table afin que le hauteur du clavier et de la souris soit au niveau ou en dessous des coudes.
- Gardez vos pieds bien soutenus, en position droite et vus.
- Pendant que vous jouez, détendez votre poignet et gardez-le droit. Si vous éprouvez les mêmes tâches avec les mains à plusieurs reprises, essayez de vous plier, étendre ou tordre vos mains pendant de longues périodes.
- N'exposez pas vos poignets sur des surfaces dures pendant de longues périodes. Utilisez un repose-poignet pour soutenir votre poignet lorsque vous jouez.
- Personnalisez les touches de votre clavier pour l'adapter à votre style de jeu afin de réduire les mouvements répétitifs ou inconfortables pendant que vous jouez.
- N'exposez pas assis dans la même position toute la journée. Levez-vous, étirez-vous de votre bureau et faites des exercices pour étirer vos bras, vos épaules, votre cou et vos jambes.

Si vous sentez une gêne physique lorsque vous utilisez votre souris, notamment une douleur, un engourdissement ou des fourmillements dans les mains, les poignets, les coudes, le cou ou les doigts, consultez immédiatement un médecin compétent.

ENTRETIEN ET UTILISATION

Le Razer Basilisk Mobile nécessite un minimum d'entretien pour la conserver dans un état de fonctionnement optimal. Une fois par mois, nous vous recommandons de déconnecter l'appareil de l'ordinateur et de le nettoyer avec un chiffon doux ou un coton-tige pour empêcher les résidus de saleté. N'utilisez pas de savon ou de produits nettoyants agressifs.

Pour optimiser votre expérience du mouvement et du contrôle, nous vous recommandons fortement un tapis de souris premium de Razer. Certaines surfaces pourraient user les pieds, ce qui peut causer un frottement constant qui mène au remplacement.

Veuillez noter que le capteur de votre souris Razer est optimisé spécialement pour les tapis de souris Razer. Cela signifie que le capteur a été testé de façon intensive pour confirmer que le Razer Basilisk Mobile lit et suit mieux sur les tapis de souris Razer.

ESPAÑOL SEGURIDAD Y MANTENIMIENTO NORMAS DE SEGURIDAD

Con el fin de alcanzar la máxima seguridad al usar el Razer Basilisk Mobile, le sugerimos las siguientes medidas:

Si tuviera algún problema para utilizar el dispositivo correctamente y las indicaciones de la resolución de problemas no dieron resultado, desconecte el dispositivo y lláma a la línea de atención al cliente de Razer o accede a support.razer.com para solicitar asistencia.

No desmonte el dispositivo (si lo hace, se anulará la garantía) y no intente hacerlo funcionar bajo circunstancias anormales.

Mantén el dispositivo alejado de los líquidos o la humedad. El dispositivo debe funcionar dentro del rango específico de temperatura de 0°C a 40°C. Si la temperatura supera ese rango, desenchúfalo o apaga el dispositivo para dejar que la temperatura se estabilice hasta un nivel óptimo.

No mire directamente el sensor láser de seguimiento del ratón, ni apuntes con él hacia los ojos de otra persona. Ten en cuenta que el sensor de seguimiento láser puede ser visible para el ojo humano y está configurado en el modo "siempre encendido".

COMODIDAD

Hay estudios que demuestran que la realización de movimientos repetitivos durante periodos largos, la ubicación inapropiada de los dispositivos informáticos periféricos, la postura inadecuada del cuerpo y los malos hábitos pueden causar malestar físico y lesiones en los nervios, los tendones y los músculos. A continuación, ofrecemos algunas recomendaciones para evitar lesiones y garantizar la máxima comodidad al utilizar el Razer Basilisk Mobile.

- Sitúa el monitor y el teclado directamente frente a ti, con el ratón a un lado. Céntrate los codos a los lados del cuerpo, no demasiado lejos. El teclado y el silla debe quedar a una distancia corta, fácil de alcanzar.
- Ajusta la altura de tu silla y la mesa de forma que el teclado y el ratón estén a la altura o por debajo de la altura de tus codos.
- Mantén los pies bien apoyados, la postura recta y los hombros relajados.
- Mientras el juego, relaja la muñeca y manténla estirada. Si realizas las mismas tareas manuales de forma reiterada, trata de no doblar, extender ni torcer las manos durante periodos prolongados.

- No apoyes las muñecas sobre superficies rígidas durante periodos prolongados. Utiliza un reposamuñecas para apoyar la muñeca mientras juegas.
- Personaliza las teclas de tu teclado para adaptarla a tu estilo de juego y minimizar los movimientos repetitivos o forzados.
- No estás sentado en la misma postura todo el día. Levántate, camina y haz ejercicios para estirar los brazos, los hombros, el cuello y las piernas.

Si sintieras algún malestar físico al utilizar el ratón (por ejemplo, dolor, adormecimiento o entumecimiento en las manos, los dedos, los dedos, los brazos, el cuello o la espalda), consulta de inmediato a un médico cualificado.

USO Y MANTENIMIENTO

Para mantenerse en buenas condiciones, el Razer Basilisk Mobile requiere un mínimo mantenimiento. Para evitar la acumulación de suciedad, recomendamos desconectar el dispositivo del puerto USB una vez al mes y limpiarlo usando un paño suave o un hisopo de algodón. No uses jabón ni productos de limpieza agresivos.

Para disfrutar de la mejor experiencia de movimiento y control, recomendamos utilizar una alfombrilla de ratón de primera calidad de Razer. Algunas superficies podrían provocar el desgaste indebido en las bases, y requieren cuidado constante y la posterior sustitución.

Ten en cuenta que el sensor del Razer Basilisk Mobile está "adaptado" u optimizado especialmente para las alfombrillas de ratón Razer. Esto significa que el sensor se ha probado ampliamente para confirmar que el Razer Basilisk Mobile lee y rastrea mejor sobre alfombrillas de ratón Razer.

DEUTSCH SICHERHEIT UND WARTUNG SICHERHEITSRICHTLINIEN

Um eine größtmögliche Sicherheit bei der Benutzung deiner Razer Basilisk Mobile zu gewährleisten, empfehlen wir die Einhaltung der folgenden Richtlinien:

Solltest du Probleme beim normalem Einsatz des Produkts haben und die Fehlerbehebungs schaffte keine Abhilfe, wende dich an die Razer Hotline. Hier findest du auch unter support.razer.com.

Nimm das Produkt nicht auseinander (dadurch erlischt die Garantie) und benutze es nicht mit abweichender Stromspannung.

Halte das Produkt von Flüssigkeiten, Feuchtigkeit und Nässe fern. Betreibe das Produkt nur innerhalb eines Temperaturbereichs von 0°C bis 40°C. Sollte die Temperatur außerhalb dieses Bereiches liegen, trenne das Produkt von der Stromversorgung und/oder schalte es aus, bis die Temperatur sich wieder auf ein geeignetes Maß eingependelt hat.

Blicke nicht direkt in den Trackingstrahl der Maus und richte den Strahl nicht in die Augen anderer Personen. Bitte beachte, dass sich der Trackingstrahl mit bloßem Auge nicht zu erkennen und immer aktiviert ist.

ERGNOMIE

Untersuchungen haben ergeben, dass sich wiederholende Bewegungen über einen längeren Zeitraum, das falsche Positionieren deiner Computer-Peripherie, falsche Körperhaltung und schlechte Gewohnheiten zu körperlichen Beschwerden und Verletzungen von Nerven, Sehnen und Muskeln führen können. Im Folgenden sind einige Richtlinien aufgeführt, die Verletzungen bei der Benutzung der Razer Basilisk Mobile vermeiden und für optimalen Komfort sorgen sollen.

- Platziere Tastatur und Monitor direkt vor dir, und die Maus daneben. Achte darauf, dass deine Ellenbogen neben deinem Körper und nicht zu weit entfernt sind, und die Tastatur sollte leicht zu erreichen sein.
- Pass die Höhe des Stuhls und des Schreibtischs so an, dass sich Tastatur und Maus auf Ellbogenhöhe oder unterhalb der Ellbogenhöhe befinden.
- Halte deine Füße bequem auf dem Fußboden, sitze gerade und entspanne deine Schultern.
- Entspanne beim Gaming dein Handgelenk und halte es gerade. Versuche deine Hände nicht über einen längeren Zeitraum zu beugen, zu strecken oder zu verdrehen, wenn du sich wiederholende Abfolge mit deinen Händen ausführst.
- Leg die Handgelenke nicht für längere Zeit auf harten Oberflächen ab. Verwende eine Handballenauflage, um deine Handgelenke beim Spielen zu stützen.
- Pass die Höhe der Stuhls, der Tastatur an deinen Spielstilt an, um wiederholte oder ungewohnte Bewegungen während des Spielens zu minimieren.
- Trize nicht den ganzen Tag in der gleichen Position. Steh auf, geh von deinem Schreibtisch weg und führe Dehnungsübungen für Arme, Schultern, Hals und Beine durch.

Wenn bei der Verwendung der Maus körperliche Beschwerden wie Schmerzen, Gefühlosigkeit oder ein Krabbeln in Händen, Handgelenken, Unterarmen, Ellenbogen, Nacken oder Rücken auftreten, solltest du dich sofort an einen Arzt wenden.

WARTUNG UND BENUTZUNG

Die Razer Basilisk Mobile benötigt nur ein geringes Ausmaß an Wartung, um in einem optimalen Zustand zu bleiben. Wir empfehlen, das Produkt einmal monatlich vom Computer zu trennen und es mit einem weichen Tuch oder einem Wattebäuschchen zu reinigen, um das Ansammeln von Schmutz zu vermeiden. Verwende keine Seife oder aggressive Reinigungsmittel.

Um optimale Bewegungsfreiheit und Kontrolle genießen zu können, solltest du auf ein Premium-Mauspad von Razer setzen. Manche Oberflächen sorgen an den Mausfüßen für übermäßiges Verschleiß, so dass diese ständig korrigiert und schließlich ersetzt werden müssen.

Bitte beachte, dass der Sensor deiner Razer Basilisk Mobile über der Razer Mausfläche optisch getriggert und abgestimmt wurde. Das heißt, dass der Sensor ausgiebig getestet wurde um zu bestätigen, dass der Razer Basilisk Mobile am besten auf Razer Mauspad funktioniert.

PORTUGUÊS (BR) SEGURANÇA E MANUTENÇÃO ORIENTAÇÕES DE SEGURANÇA

Para obter a máxima segurança durante o uso do Razer Basilisk Mobile, sugerimos que você siga as orientações abaixo:

Se tiver problemas ao usar o dispositivo adequadamente e a solução de problemas não for suficiente para resolvê-lo, desconecte o dispositivo e entre em contato com a linha direta da Razer ou visite support.razer.com para receber assistência.

Não desmonte o dispositivo (você perderá a garantia ao fazê-lo) nem tente operá-lo sob condições anormais de corrente.

Mantenha o dispositivo longe de líquidos ou umidade. Só opere o dispositivo dentro da faixa específica de temperatura de 0°C a 40°C. Se a temperatura exceder essa faixa, desligue e/ou desconecte o dispositivo para que a temperatura se estabilize no nível ideal.

Evite olhar diretamente para o feixe de controle do mouse ou apontar o feixe em direção aos olhos de outra pessoa. Observe que o feixe de controle NÃO é visível a olho nu pelo ser humano e está configurado em um modo "sempre ligado".

CONFORTO

Pesquisas mostram que longos períodos de movimentos repetitivos, posição inadequada dos periféricos do computador, postura incorreta e más hábitos podem estar associados ao desconforto físico e a lesões nos nervos, tendões e músculos. Veja abaixo algumas orientações para evitar lesões e garantir o conforto ideal ao usar o Razer Basilisk Mobile.

- Posicione o teclado e o monitor diretamente à sua frente, com o mouse próximo ao lado. Coloque os cotovelos junto às laterais do seu corpo, não muito longe, e o teclado a uma distância de fácil alcance.
- Ajuste a altura da cadeira e da mesa para que o teclado e o mouse estejam na altura do cotovelo ou abaixo dele.
- Mantenha os pés bem apoiados, a postura ereta e os ombros relaxados.
- Durante o jogo, relaxe o pulso e mantenha-o reto. Se você realiza as mesmas tarefas manuais repetidamente, tente não curvar, estender ou torcer os mãos por longos períodos de tempo.
- Não apoie os pulsos em superfícies rígidas por muito tempo. Use um apoio para descansar os pulsos enquanto estiver jogando.
- Personalize as teclas do teclado para ajustá-las ao seu estilo de jogo e minimizar movimentos repetitivos ou desajeitados durante o jogo.
- Não senta na mesma posição o dia inteiro. Levante-se, afaste-se da sua mesa e faça exercícios para alongar os braços, os ombros, o pescoço e as pernas.

Se sentir qualquer desconforto físico durante o uso do mouse, como dor, torção ou formigamento nas mãos, pulsos, cotovelos, ombros, pescoço ou costas, consulte um médico qualificado imediatamente.

MANUTENÇÃO E USO

Para manter o dispositivo em boas condições, recomendamos uma manutenção mínima para ser conservado nas suas condições ideais. Recomendamos que você desconecte o dispositivo do computador uma vez por mês e o limpe usando um pano suave ou um hisopo de algodão. Não use sabão ou produtos de limpeza agressivos.

Para ter a experiência definitiva em movimento e controle, é altamente recomendável usar um mousepad premium Razer. Algumas superfícies causam um desgaste excessivo dos pés, exigindo cuidados constantes e uma eventual substituição.

Observe que o sensor do Razer Basilisk Mobile foi ajustado e otimizado especialmente para os mousepads Razer. Isso significa que o sensor foi testado extensivamente para confirmar que o Razer Basilisk Mobile apresenta o melhor desempenho de leitura e rastreamento em mousepads Razer.

AUSTRALIAN CONSUMER LAW COMPLIANCE

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality. This does not amount to a major failure. Please refer to razer.com/warranty for further details.

THE FOLLOWING LIMITED WARRANTY ONLY APPLIES TO AUSTRALIA

Limited Warranty. Razer warrants the Product to be free from defects in materials and workmanship (subject to the terms set forth herein) when used normally in accordance with the official documentation for the applicable Warranty Period from the date of retail purchase. If the Product is, or contains, a rechargeable battery, Razer does not provide any warranties for the battery life, as all rechargeable batteries can be expected to lose charging capacity over time and this is not considered a defect. Your actual battery life will vary depending on the conditions in which it is used.

Limited Warranty Period. You are eligible for Limited Warranty support for the following periods of time commencing upon the date of retail purchase of your Product ("Warranty Period"):

Gaming Mouse	2 Years
--------------	---------

All new Products will have the Warranty Periods listed above, subject to local Law. Certain "end of life" sell out or discontinued Products may have a shorter Warranty Period; this will be clearly marked at the time of purchase and the given Warranty Period will be stated at that time. Factory Refreshed Products will have a Warranty Period of 90 days. If you are uncertain whether your Product is eligible for Limited Warranty support, please contact our support team for clarification here.

Exclusions and Limitations. This Limited Warranty does not cover:

- (a) software, including (without limitation), (i) the operating system and software and/or Razer-branded hardware/software developed through our factory-integration system, (ii) thirdparty software, or (iii) the reloading of software, software configurations or any data files;
- (b) non-Razer branded products and accessories, even if packaged and sold with the Product; problems with and/or damage to the Product caused by using non-Razer accessories, parts or components;
- (c) damage caused by service (including upgrades and expansions) provided by any third party, including (without limitation) an employee, representative or sub-contractor of Razer;
- (d) claims arising from any unacceptable use or care of the Product, including (without limitation) misuse, abuse, negligence, unauthorized modification or repair, unauthorized commercial use or any operation of the Product outside Razer's recommended parameters;
- (e) claims arising from external causes, including (without limitation), accidents, acts of God, liquid, contact, fire or earthquake;
- (f) claims arising with a serial number or date stamp that has been altered, obliterated or removed;
- (g) Products for which Razer will not receive payment, or cover the damage caused by wear and tear, including (without limitation), scratches, dents and chips. Razer does not warrant that the operation of the Product will be uninterrupted or error-free.

Remedies under this Limited Warranty. The benefits to a consumer given by this Limited Warranty are in addition to their rights and remedies of the consumer under a law in relation to the goods or services to which this Limited Warranty relates. If an eligible claim on the Limited Warranty is received by Razer within the applicable Warranty Period, Razer will (at its sole option) either:

- (a) repair the Product or the defective parts at no charge, using new or refurbished replacement parts; (b) provide online Razer Store vouchers to the value equivalent to the retail purchase price of the Product; or (c) exchange the Product with a Product that is new or which has been manufactured from new or serviceable used parts and is at least functionally equivalent to the original Product. Goods presented for repair may be replaced by refurbished goods of the same type rather than being repaired. Refurbished parts may be used to repair the Product, provided the sole basis for repair is whether a claim is eligible and/or whether the Product is defective. Where the Product is an "end of life" Product model, Razer may (at its sole option) exchange the Product with a functionally equivalent substitute model from Razer's current Product range. Razer has the sole option to provide any other type of remedy in addition to or in substitution for the repair, replacement or exchange of or exchanged Products should be warranted free from defects for a period of ninety (90) days after date of repair or exchange (as the

case may be), or for the remainder of the original Warranty Period, whichever is longer.

Remedies under Australian Consumer Law. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Entire Limited Warranty. No Razer supplier, dealer, agent, or employee is authorized to alter or extend the terms of this Limited Warranty or to make any representation whatsoever. Razer reserves the right to amend the terms of this Extended Warranty at any time without notice.

Help Resources. Before lodging a claim on the Limited Warranty, please review the online help resources at support.razer.com. If the Product still does not meet your requirements after you have read these resources, please contact Razer through support.razer.com or your authorized distributor or dealer. You may be required to assist with the diagnosis process to verify and ascertain any issues which you may be facing with your Product. Product availability and response times may vary depending on the country in which the Limited Warranty claim is lodged.

How to make a Limited Warranty claim. IF YOU PURCHASED THE PRODUCT FROM A RAZER RESELLER, PLEASE CONTACT THE RAZER RESELLER IN REGARDS TO YOUR LIMITED WARRANTY CLAIM.

We advise that you select a method of shipping that is trackable (e.g. UPS, DHL, FedEx). Any expense of claiming under this Limited Warranty will be borne by the person making the claim (including any shipping and handling charges in returning the Product to Razer, as well as any applicable postage and handling charges in relation to the claim). If the Product is valued/returned under the terms of this Limited Warranty,

Razer will be responsible for postage expenses for shipping the Product back to you (but not any customs charges, duties, or taxes). You are responsible for ensuring that the Product is properly packaged and will bear the full risk of loss or damage for any Product that is returned improperly packaged. Risk of loss or damage in the return of the Product to Razer will be borne by the Product is received by Razer and Razer shall not be responsible for items lost in transit to us. In the event that the procedure herein is not followed, Razer reserves the right to accept the delivery of the Product on such terms that it may determine at its sole discretion.

Returns Not Covered by this Limited Warranty. If Razer receives a Product from you that does not meet the requirements of this Limited Warranty, including (but not limited to) a Product that (a) lacks a valid is not accompanied by a valid Proof of Purchase, (b) is no longer covered by the applicable Warranty Period, or (c) does not have a defect covered by this Limited Warranty, you may be responsible for an assessment fee, return shipping and handling fees, and other applicable fees as may be required by Razer prior to the Product being returned to you.

Software/Data Backup. Repair of the Product may result in loss of data. It is solely your responsibility to complete a backup of all existing data, software, and programs on the Product before returning the Product or receiving technical assistance services. No Razer (including any authorized distributor, RAZER WILL HAVE NO LIABILITY FOR LOSS OF OR RECOVERY OF DATA, SOFTWARE, PROGRAMS, OR LOSS OF USE OF PRODUCTS). Under circumstances where Razer is responsible for any loss of data, software, or programs, even if Razer technicians have attempted to assist you with your backup, recovery or similar services. Any such services will be beyond the scope of the Limited Warranty. Following service under this Limited Warranty, your Product may be returned to you as configured when originally purchased, or you may be required to reformat the device for reinstalling all other data, software and programs.

General. This Limited Warranty applies only to the original purchaser of the Product and is non-transferable. This Limited Warranty is only valid in Australia. No Razer reseller, agent, distributor, or employee is authorized to make any modification, extension or addition to this Limited Warranty. If any term of this Limited Warranty is held to be illegal or unenforceable, the legality or enforceability of the remaining terms shall not be affected or impaired.
